

Prochaska & Associates

November 7, 2014

To Whom It May Concern:

On behalf of Prochaska & Associates, I can state that through my relationship working with Meco-Henne Contracting Inc., as the Contractor during the construction phase of the Mills County Law Enforcement Center project, Glenwood, IA, was a positive experience from the beginning of construction through to completion in October of 2014. Their staff's commitment to the project, both in the field and the office contributed to an efficiently run project resulting in the project being completed within budget and with a satisfied client.

Any prospective client can rest assured that with Meco-Henne, as part of the team, their project is in capable hands.

Sincerely,

PROCHASKA & ASSOCIATES

William R. Huey III, RA, NCARB
Vice President
