BENEDICTINE SCHOOL

Featuring The David "DJ" Sokol Learning For Life Building

Jim Lewis

Director of Facilities

22520 Mount Michael Road

Elkhorn, Ne 68022

To Whom It May Concern

I am writing this letter of recommendation on behalf of Chris Emanuel project superintendent with Mecco-Henne Contracting. Chris has completed several major projects for Mount Michael the most recent being the \$8,000,000 D.J. Sokol Learning for Life Building. Throughout these projects Chris has shown a detailed knowledge of the construction documents and the experience to execute them. He takes immense pride in his projects and goes above and beyond to make the entire construction experience successful for owner architect and contractor. He is a dedicated team player and puts the owners needs as his highest priority on the job. His projects are safe and well organized. Chris works daily with subcontractors to provide quality installations and monitors submittals and field changes to ensure a positive result for all aspects of the project.

Chris is truly a dedicated individual who devotes every effort to his craft as superintendent. He will be a huge asset to any project that he is involved with. I highly recommend Chris for any project.

Sincerely,

Jim Lewis

Facilities Director

Mount Michael
